

Build winning teams

Our AI partner Wisnio's suite of decision support tools is designed to help business leaders make great hiring decisions and build high-performing teams.

A team-based approach to hiring

Exceptional business success is not achieved by a single individual, but by teams. Critical hiring decisions need to account for the team profile to produce the best outcomes.

Actionable talent data

Every business decision needs relevant data, and great tools help leaders make the best decisions. Hiring, especially, is the most critical business decision for any manager.

A practical toolkit for business leaders

Hiring starts with defining the role and ends with helping your new hire achieve peak productivity. Wisnio supports you in the entire process from start to finish.

Wisnio provides practical toolkits that guide business leaders through critical hiring and team development decisions.

Team evaluation

Benchmark the existing team to get a detailed understanding of the culture and team dynamics.

Hiring toolkit

Evaluate, score and compare shortlisted candidates to make better hiring decisions.

Team development

Use the team development toolkit to build an environment where everyone can perform at their best

Gap analysis

Identify critical areas where the new hire could complement the team.

Onboarding tools

Integrate your new hire into the team and help them get to peak productivity faster.

It takes just 20 minutes to get started,
and the insight you gain will provide
long-term support for your team.

Team profile

Wisnio's Team Profile creates a visualisation of your team culture, identifying the critical elements and potential gaps in your team composition. This in-depth insight will support your hiring, succession planning, and team development decisions.

Candidate evaluation

Wisnio's candidate evaluation tools help you understand how each candidate would complement your team and fit in with your core values. Use the candidate profile and personal interview guide to make a more structured and objective hiring decision.

Team development toolkit

Use Wisnio's onboarding tools and team development toolkit to help new team members integrate into the team and to shape a culture where everyone can perform at their best.

Let us help you with your most important hiring decisions 

“The Wisnio platform brings more logical, linear thinking into the hiring process, giving our client more confidence making the right hiring decision. Making hiring decisions based on data and science is a game changer.”
